Indesign – Luxury Furniture Manufacturer in Delhi

- The Premier Furniture Manufacturer in Delhi
- Crafting Bespoke Luxury Since 1998

Design Philosophy

- “Design begins with how a space feels, and evolves into how it lives.”

- Our philosophy: grounding luxury in proportion and harmony. We define spaces with meticulous material harmony.

Manufacturer’s Advantage

- • Meticulous sourcing of hardwoods, stones, fabrics
- • Precision craftsmanship blending tradition & engineering
- • Structural integrity for long-term durability

Bespoke Design & AI Pairing

- We tailor furniture to your dimensions, aesthetic, and spatial needs.

- AI Design Consultant helps suggest materials and styles based on room description.

Showcase – Material Balance

- Our tables are sculptural pieces balancing marble, metal, wood, and lacquer.
- • Geometric Coffee Table – Metal + Marble
- • Iris Console – Wood + High-gloss Lacquer
